

THE THRASHER GROUP *North Carolina*

www.thethrashergroupnc.com

The Thrasher Group North Carolina, Inc. Thrasher is a full-service architecture, engineering, and field services consulting firm with a rich resume of project success all throughout the Mid-Atlantic region. Our team of skilled experts delivers a vast array of professional services to clients across five major markets: architecture, land development, water resources, transportation, and energy.

We are looking for a Water Resources Project Engineer to join the Gastonia, NC office. Our Engineers have the opportunity to design projects in cities and municipalities where our designs make an impact.

In this role, you will be asked to:

- Evaluate existing service area utility assets and develop corresponding recommendations for rehabilitation or replacement
- Provide support in the design of the rehabilitation and/or replacement of water lines and sanitary sewer lines
- Monitor performance and adherence to plans and specifications during the construction phase. Assist with submittal reviews, requests for information, correspondence, change requests, and change orders.
- Coordinate and assist with environmental studies, permitting, alternative analyses, and other technical deliverables

Qualifications may include:

- BS in Civil Engineering or related Engineering discipline
- FE certification or the ability to obtain certification within six months of hiring

Thrasher provides an excellent benefit package which includes health, dental and vision insurance, company paid short- and long-term disability, 401K matching, paid-time off, tuition assistance and much more.

An emphasis is placed on professional development which includes structured goal setting and specialized training opportunities. Professional development is monitored and recognized bonuses and annual salary reviews.

In promoting a family-oriented culture, we recognize the importance of work life balance and schedule flexibility.

The Thrasher Group conducts pre-employment drug screens and background checks on all applicants who accept offers of employment. Authorization to work in the United States is a precondition of employment. "EEO/AA/E-Verify
